COUNTERPROPOSAL

Before the Federal Communications Commission for consideration is a petition filed by De Forest Broadcasting Company ("petitioner") requesting the allotment of FM Channel 226A to De Forest, Wisconsin, as that community's first local transmission Service.

The Petitioner provided an engineering study in support of the proposal and indicated it would apply for the channel, if allotted.

The Commission by NOTICE OF PROPOSED RULE MAKING, Adopted: March 25, 1993; Released: April 28, 1993 stated: "We believe the public interest would be served by proposing the allotment of Channel 226A to De Forest, Wisconsin, since it could provide the community with its first local transmission service. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section

73.202(b) of the Commission's Rules, for the communities listed below:"

	Channel No.	
City	Present	Proposed
Berlin, Wisconsin	272A	284A
De Forest, Wisconsin	--	226A
Wautoma, Wisconsin	226A	272A

Mark J. Kastein d/b/a Markesan Broadcasting Company ("MBC") hereby advances the following COUNTERPROPOSAL in MM Docket Number: 93-91; Rule Making 8197, for the communities listed below.

	Channel No.	
City	Present	Proposed
Berlin, Wisconsin	272A	272A
De Forest, Wisconsin	None	None
Wautoma, Wisconsin	226A	226A
Markesan, Wisconsin	None	284A

By this Counterproposal, Markesan Broadcasting Company proposes the Commission amend the FM Table of Allotments, 47 Code of Federal Regulations, Section 73.202(b), to allot Channel 284A to the City of Markesan, Wisconsin, in lieu of the petitioners proposed allotment of Channel 226A to De Forest, Wisconsin.

In support of this Counterproposal, Markesan

Broadcasting Company respectfully submits the Engineering Statement prepared by Lyle Robert Evans, Technical Consultant, attached hereto as Appendix 1.

Inasmuch as Markesan, Wisconsin (population 1,519; per 1990 Census), shall receive a first local transmission service, Markesan Broadcasting Company concludes its Counterproposal in the public interest.

If the Commission goes forward to allot FM Channel 284A to Markesan, as proposed, Markesan Broadcasting Company shall immediately file an Application For Construction Permit For Commercial Broadcast Station (FCC Form 301) to activate FM Channel 284A as allotted at Markesan, Wisconsin.

Upon the Commission grant of such an Application, Markesan Broadcasting Company shall promptly construct, license and operate the permitted facility.

In accord with 47 Code of Federal Regulations, Section 1.52; I, Mark J. Kastein, hereby certify I have read this entire document, that to the best of my knowledge, information and belief it is true and correct, that there is good ground to support it; and that is not interposed for delay.

Respectfully submitted,
